

BUY AMERICAN ACT CERTIFICATE

Date: 5/13/25

Manufacturer: Barrier Gate Brands™ / DF Supply, Inc.

Address: 8500 Hadden Road, Twinsburg, OH 44087

Product: Sentinel Swing Barrier Gates and Receiver Post

In accordance with the Buy American Act (41 U.S.C. Chapter 83), Federal Acquisition Regulation (FAR) 52.225-1, and Defense Federal Acquisition Regulation Supplement (DFARS) 252.225-7000, Barrier Gate Brands™ certifies that:

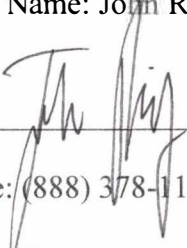

1. **Domestic End Product:** The Sentinel Gates and receiver post listed below are domestic end products as defined by FAR 25.003 and DFARS 225.003. The end products are manufactured in the United States, and the cost of components mined, produced, or manufactured in the United States exceeds 60% of the cost of all components for items delivered in 2025 (per DFARS 252.225-7001, with thresholds increasing to 65% for 2024-2028 and 75% from 2029 onward).
2. **Manufacturing Location:** All manufacturing processes for the Sentinel Gates and receiver post occur in the United States.
3. **Component Origin:** All components are of U.S. origin, as defined by 49 CFR 661.5(d), meaning they are manufactured in the United States, regardless of subcomponent origin. Components include, but are not limited to, galvanized steel arms, Shut It Dual Sealed Bearing Hinges, lock assemblies for swing barrier gates, and steel components for the receiver post.
4. **Iron and Steel Content:** For products consisting wholly or predominantly of iron or steel, the cost of foreign iron and steel is less than 5% of the cost of all components, excluding commercially available off-the-shelf (COTS) fasteners, as per FAR 52.225-1(b).
5. **Compliance with Domestic Content Requirements:** The Sentinel Gates and receiver post meet or exceed the 60% domestic content threshold for 2025, as required by DFARS 252.225-7001, and comply with Build America, Buy America Act (BABA) requirements for manufactured products in infrastructure projects, where applicable.
6. **Certification of Compliance:** Barrier Gate Brands™ certifies that the information in this certificate is true and correct to the best of its knowledge. The Sentinel Gates and receiver post are produced in the United States in sufficient and reasonably available commercial quantities of satisfactory quality, as required by the Buy American Act.
